

# Executive Briefing (Draft)

This is a draft outline for the executive briefing. Convert to slides (PDF) before submission.

- Title: Vulnerability Prioritization — Acme Financial Services
- Audience: CISO & Security Leadership

Slides:

1. Title + TL;DR recommendation
2. Scope & methodology (data sources, CPEs, dates)
3. Key findings (top critical CVEs, with exploits, KEV mapping)
4. What it means for Acme (business impact + likely attack surface)
5. Recommended next steps (patch, compensating controls, monitoring)
6. How VulnCheck intelligence helped (exploit maturity, timelines, KEV)
7. Appendix: dataset snapshot and caveats
